Subject: Support for Palestinian resolution
Date: Monday, April 23, 2018 12:24:54 AM

Dear Councillors,

I have recently received several mailings from outside of Cambridge regarding the upcoming Palestinian resolution.

I commend your action in considering this resolution, and it makes me proud to live in Cambridge that the Council seeks to support human rights world wide. My children attend Fletcher Maynard and the message of tolerance and equality is important for the children to hear and see in action.

Regards,
John Trever
